## **CBCA Update**

The Callala Cay Community Association (CBCA) AGM was held 13 Mar 19 with Councilor Jo Gash being the Returning Officer. As there were no nominations for President or Vice President, the Meeting elected Howard Duncan and James Morris as Co-conveners for 2019 and the roles have not changed. Howard and James advised they were happy to continue for this Calendar Year however, neither will be standing in 2020.

The Committee for 2019 are:

Conveners: Howard Duncan and  
James Morris  
Secretary/ Public Officer: Margaret Duncan

Treasurer: Howard Duncan  
Minute Secretary: Thelma Marr  
Committee: Jim Townshend  
Pauline Townshend  
John Fowler  
Julianne Fowler  
John Green  
Julie Wotton (also  
Chair of Events Committee)  
Lynn McDonald (also  
Secretary of Events Committee)

The CBCA recognised the contributions of these outgoing members: Sandra McKenzie-Clarke, Raymond Plevey and Brooke Black, and thanked them for their service to the Callala Community.

Duncan Marshall, Anthony Janezic and Howard Duncan attended the Shoalhaven City Council (SCC) Economic and Development Committee meeting to promote the rejection of the proposed development of a section of land in Sealark Rd. Although a sound strategy was argued, the Council members attending, decided by a small majority to allow the proposal to proceed to the State Government for a "Gateway Determination". This means the proponents will have to submit a case for development before any approval can be given, including extensive Environmental Impact Studies (EIS). They will need to satisfy the Office

of Environmental Heritage, National Parks and the Jervis Bay Marine Authority about any impact on the Wowly Creek, as well as Council subsequently considering any Development Applications (DA).

The CBCA also considered a DA from Callala Community Gardens (CCG) and have asked them to clarify/amplify several matters covered in the Application.

The Liberal candidate for the Federal seat Gilmore, Mr Warren Mundine also attended the CBCA meeting and provided an insight into his background, as well as presenting what he considered to be the most urgent and pressing issues in our electorate.

The CBCA congratulated the Events Committee on the 'Speakeasy Night' held at Club Callala recently. Many of those attending dressed in a theme depicting the fashions of the era. The first quarter of 2019 has already gone, and the CBCA's priority remains the completion of the Path Enhancement Project. The CBCA is still waiting on the application to vary the Aboriginal Heritage Impact Plan (AHIP) to install two Indigenous Carved Poles and a carved bench at the Callala Headland. This CBCA Project also includes the extension of the path where it presently ends near the Marine Parade Turnout (near Bay Street intersection). This path will allow access to the Headland for wheelchairs, scooters and prams. During this time the CBCA will commence the installation of additional picnic tables and individual bench seats on the foreshore and along the adjacent to the path to the Headland.

Our next meeting is Wed, 10 Apr 19 at the Callala Community Centre, Emmett Street starting at 7:00pm. Everybody is welcome, you don't have to be a member to attend.

Proposed rezoning of land to the east of Sealark Rd for residential uses.

Report to Callala Bay Community Association, Wednesday 13 March 2019

Following the vote taken at February's General meeting of the CBCA, the Council report was published, with a well-reasoned recommendation to reject the application.

"That Council:

1. Not proceed with a Planning Proposal to rezone Lot 5 DP 1225356, Sealark Road, Callala Bay to a mix of residential, recreation and environmental zones.
2. Advise the proponent and submitters of this decision.
3. Advise the proponent of the opportunity to make a submission during the upcoming public exhibition of the Shoalhaven Growth Management Strategy."

Howard Duncan, Anthony Janezic & Duncan Marshall attended the 5 March Development and Environment Committee Meeting, where Patrick Mahedy (consultant for the developer) and Duncan (for the CBCA) each made a brief presentation - for and against the rezoning.

The Council officers' report identifies that the applicant has submitted a large number of non-factual statements and erroneous planning-document interpretations, out-dated studies, as well as failing to follow recommended process.

The officers' report concluded that the rezoning submission "is inconsistent with the strategic plans for the Callala Bay area. It is recommended that the PP not be supported."

The 8 councillors' vote to support and proceed with the Planning Proposal as submitted, appears to be plainly contrary to the intent of the adopted legal planning policies.

This Committee vote, which should be submitted

to Council on 26 March, does not permit rezoning and sub-division. It will allow the applicants to put their proposal to the state planning department for a "gateway determination."

Then, if agreed in general, the proponents have a lot more studies to prepare and arguments to present before they can proceed. The CBCA and individual citizens will have more opportunities to respond to the rezoning proposal.

Unless withdrawn, this rezoning proposal now progresses to "Gateway determination". After that, the Planning Proposal may or may not proceed. The 5 steps are:

1. Planning proposal....
2. "Gateway – the Minister (or delegate) decides whether the planning proposal can proceed (with or without variation) and subject to other matters including further studies being undertaken, public consultation, public hearings, agency consultation and time frames. A planning proposal does usually not proceed without conditions of this nature. The conditions are then complied with and if necessary, the proposal is changed."
3. "Community Consultation – the proposal is publicly exhibited as required by the Minister. A person making a submission may also request a public hearing be held."
4. Assessment – the planning proposal authority reviews public submissions.
5. If approved, the planning decision is published and becomes law...

Meanwhile, I will recommend that CBCA vote to write a letter asking Council to issue an immediate "cease and desist" direction to the land's registered owners (individually) that no further works be undertaken on the property without due Development Application and Council approvals, especially no works which would be contrary to the land's present zoning of E3. The works to be banned should include, but not be limited to, earthworks, drainage, clearing, slashing or any other disturbance of vegetation.

## **Callala Medical Report**

Autumn is upon us, and with the change in season, the risk of influenza infections is on the rise again. So it is almost time for the flu vaccination again. We are told that Callala Medical Centre should be getting our jabs about mid April 2019. The following groups are funded by the government for a free flu needle:

children aged 6 months to <5 years  
adults aged ≥65 years

Aboriginal and Torres Strait Islander people  
people with medical conditions that increase their risk of influenza

pregnant women

I would also like to remind patients who are over 65 that they should also be offered the pneumovax (to protect against a strain of pneumonia), please discuss this during the flu clinic with your GP if this is suitable for you.

If you have any queries, please contact your friendly team at Callala Medical Centre.

Thanks to a wonderful donation, we have a massive collection of frames on sale at \$5 each (some smaller ones are 2 for \$5). All shapes and sizes, some with glass and matt borders. If you have a picture you would like framed, bring it into The Studio and we will help you select and frame your picture. Call Sandra on 0439 241 144 to set a time.

Some wonderful and innovative classes are available at The Studio. Jennifer Corkish is holding her Slow Stitching classes from 10am to 1pm the first Thursday of the month, so her next session will be held on 4 April. Come along and enjoy learning different styles of sewing. For more information and to book your place, please contact Jennifer on 0408 201 907.

Deb Dally is offering her fabulous polymer clay class on the first Saturday of each month from 1pm to 4pm. Learn how to merge colours, make prints, mould clay, and use all sorts of tools and implements to create some magical pieces which you get to take home with you at the end of the session. Please call Deb on 0417 477 094 for more information and to book your spot in her next class on 6 April.

Oil painting sessions are held on Saturdays from 10am to 12noon. Instruction is based on how to start your painting by setting up a good drawing and then applying luscious paint to achieve a wonderful result. Simple, straightforward and successful! Call Sandra on 0439 241 144 for more information and to book your spot.

Drawing, mixed media, pen and ink, charcoal, watercolour and pastels are all part of Col Darley's classes which run on Wednesdays. The morning session is from 10am to 12noon, and an evening class from 7pm to 9pm. For more information, call Col on 0407 201 201. Bookings are essential.

## **South Coast Vet Report**

What is “Parvo” and should I have my dog vaccinated?

“Parvo” is short for Canine Parvovirus(CPV). CPV is a viral infection that is present globally. The virus affects domestic dogs causing severe gastroenteritis that is often fatal. It is estimated that 20,000 cases of CPV are diagnosed by veterinarians annually in Australia.

Dogs infected with CPV show a range of symptoms from sub clinical (this means you do not even notice any illness), to mild gastrointestinal signs (some vomiting and diarrhoea), to a very fast developing disease where they can die soon after contracting the virus. The severity will depend on the dog's immune response.

Treatment of infected dogs involves intensive care to replace fluids and electrolytes lost from the damaged bowel. The treatment of dogs and puppies with CPV is often heart breaking as it is such an aggressive virus that the treatment is more often not successful and there is always the frustration of knowing it is a disease that could have been prevented by a simple vaccination. Dogs which are infected with CPV shed virus in their faeces and the virus then survives well in the environment for years as a potential source of infection to other dogs.

CPV vaccines are among the most effective of veterinary vaccines. If the mother of a litter of puppies has been vaccinated against CPV she will provide antibodies in her milk that will protect her puppies against CPV while they are suckling. At six weeks of age when the puppies are being weaned they should receive their first vaccination against CPV. During the period between the first and second puppy vaccinations, puppies should be kept away from any potential sources of infection as it is not until the second vaccination is given at 8 to 10 weeks that the puppy is safe to explore the

whole environment. All puppies should then receive a 3rd puppy vaccination at 10 to 12 weeks.

Improved vaccines and vaccination protocols help provide protection against CPV to puppies at the earliest possible age. Puppies can now complete their three puppy boosters as young as 10 weeks. This means they are able to socialise at 10 weeks of age. Exposing puppies to as many different people, places and other animals in their first 3-4 months of life is really important for their psychological development. Early socialisation and puppy pre-school greatly reduces the incidence of behaviour difficulties, like, aggression, fear and anxiety conditions. Adult dogs should receive a yearly vaccination against CPV.

## **Callala Anglican Church**

A young Pakistan Christian man from a poor family was arrested and charged with murder on the basis that he was tall, like one of the four suspects. He had been at work when the murder was committed but, without money or influence he could not hire a good lawyer. At his trial no witness from his work place was called to disprove the false accusation and he was found guilty. The normal sentence for murder in Pakistan is hanging. But because no one could positively identify this man, the judge found his faith in Christ carried him through both the period before the trial when he feared getting a death sentence and afterwards when decades in jail stretched before him.

The man saw the great need around him and decided that he would seek to help those like himself caught in a hopeless situation.

## **Anglican Church**

For those on death row he would speak to them of hope and forgiveness in Christ, he would walk with them to the gallows or even carry there the ones who collapsed. So great was the mans faith that he petitioned the authorities to have a Christian gathering for the Christian prisoners and the Muslims also attended. He then got permission for a church building which he and other Christian inmates constructed with their own hands. All the while he was spending time reading in the prison library which is how he discovered he could appeal. Slowly he put together his case, and ten years after behind bars he was released on bail. It was another five years before he finally cleared his name.

On being released the man married his fiancée who had waited a decade for him. After two years of happiness together she died in childbirth. The man put aside his sorrow and continued to serve prisoners, particularly those on death row, travelling all over Pakistan to help and encourage them.

The man's experience of false accusation and expecting death sentence is not dissimilar from another Pakistan Christian. Aasia Bibi who knew well what it was to suffer as her Lord had suffered, to be falsely accused , to be beaten up , spat upon, imprisoned tried , found guilty and sentenced to death. Throughout it all, she remained faithful to her Lord and confident that he would deliver her.

Earlier saints have faced the same appalling suffering as these modern -day believers. One such was Dietrich Bonhoeffer(1906-1945), a German pastor and theologian who strongly opposed the Nazi regime. From prison Bonhoeffer wrote a hymn which includes this verse.

"And when the cup you give is filled to brimming  
With bitter suffering hard to understand.

We take it gladly trusting though with trembling  
Our God so good and so beloved a hand".

This cup of suffering is none other than the cup from which Christ our Lord Jesus drank (Luke22:42).

The agony of Gethsemane, the betrayal wrongful arrest, false imprisonment, beating and torture, the unjust trial , the underserved death sentence, rejection by the crowds, abandonment by His disciples and above all else the terrible moment on the cross when it seems as if the Father had turned away His face causing Jesus to cry out in agony, "My God, My God, why have you forsaken me?"( Matthew27:46).

The reality of Christian experience is born of pain and suffering. It is when all has gone wrong and yet we still hope and go on. This is the experience that tests the nature of who we are and the quality of the faith we have. But suffering in this life is not the end. There is hope – the hope of the resurrection is a reality. Jesus died and rose again gloriously. For the man and his wife Aasia there was a resurrection in being released from prison. Countless others who live with false accusations, ignominy and shame and die without being cleared or freed, there is an eternal hope of life with Jesus, where "all shall be well, and all shall be well and all manner of things shall be well.

## **A Brief History: Shoalhaven**

Alexander Berry, Hamilton Hume and Thomas Davidson made the first recorded ascent of the Pigeon House Mountain in 1822. In August of 1846, Berry's schooner, the Coolangatta was wrecked between Point Danger and Cut Hill, Queensland. This place still bears the name of Coolangatta, linking the Gold Coast and the Shoalhaven with an historical tie. The anchor of the Coolangatta serves as a monument by the beach at Queensland's Coolangatta.

# **Community Church**

How the year has flown, here I am writing for the April edition of the Callala Bay News. It seemed only yesterday we were packing up Christmas decorations and now Easter is upon us. What does Easter mean? I haven't done any surveys, although the following might be what most people look forward to over the Easter break. For those who make their income from tourism or hospitality would be looking forward to lots of holiday visitors, and a busy time accommodating and entertaining them. For others it is a time to get away, maybe with family or friends, for a time of rest, relaxation or other activities. And, for others it will just be another week like the last one. And, I'm certain for the children there will be a fair amount of chocolate consumed, coupled with hot cross buns.

Whilst the origins of Easter are from a Pagan festival celebrating the coming of Spring, (Northern Hemisphere), from at least within the second century the early church celebrated Easter as a Christian festival, although well before that the early Christians remembered the death and resurrection of Jesus at the same time the Jews celebrated the Passover.

The Callala Community Church celebrates the life, death & resurrection of Jesus most weeks when we share in Communion or the Lord's supper; what then for the Christian church is so special about Easter? Maybe, it is a good time to emphasize the relevance of Jesus' resurrection to our wider community. So, Easter eggs & hot cross buns aside, this was and perhaps should be, a true Holy-day; a time to remember when God provided for all humanity a way of being reunited with Him.

During my journey through life as a follower of Jesus, the one thing I have found to be true is that God is far more concerned with people entering into a relationship with him than mere religious observance of special times and seasons, the Apostle Paul when writing to the church in Rome puts it this way:

So, there is now no condemnation awaiting those who belong to Christ Jesus. For the power of the life-giving Spirit—and this power is mine through Christ Jesus—has freed me from the vicious circle of sin and death. We aren't saved from sin's grasp by knowing the commandments of God because we can't and don't keep them, but God put into effect a different plan to save us. He sent his own Son in a human body like ours—except that ours are sinful—and destroyed sin's control over us by giving himself as a sacrifice for our sins. So now we can obey God's laws if we follow after the Holy Spirit and no longer obey the old evil nature within us.

Trusting you all have a safe and happy Easter break and an April filled with Joy and peace. Maybe you would like to join us for Easter services: Community Hall; 9.00am Good Friday and 9.00am Sunday.

The Federal Government increased drought support of \$1.8 billion will help my local farmers who have been asking for a well organised approach to the assistance and fundraising by all Australians.

The drought response includes the appointment of a National Drought Coordinator, new tax breaks for farmers, low-interest loans and the application form for the Farm Household Allowance is being made easier.

However more awareness needs to be raised about the tough conditions facing our dairy farmers and I'll continue to fight for this on their behalf.

For help with the Farm Household Allowance, contact the Rural Financial Counselling Service on 1800 686 175 or the Farmer Assistance Hotline on 13 23 16. **NB:** Increased call volumes may cause delays.

# **Police Report**

Way back in the olden days when there were no Police, it was up to the community to catch and deal with the offenders who committed a crime. In Ye olde England it was a common practice for the public to chase down and apprehend the offender. This practice was called the “Hue and Cry”. Once a felony was discovered and the Hue and Cry went out such as “Stop Thief” then other members of the community we're bound to take part in the apprehension of the offender.

Once the crook was apprehended he/she was punished. There were a number of punishments in those days ranging from Fines, being placed in stocks, mutilation or death. You only have to watch 5 minutes of Game of Thrones to get the gist of how it was in those medieval days.

Lucky for all of us that we have become more civilised as a community and we now have a Police Force full of dedicated officers who are chasing down the crooks, however we still need people to report the crimes. You do not need to scream out “Stop Thief” any more however you do need to do something. There are a number of ways to report incident to Police. In fact, we are almost spoilt with choices.

## **Ring “000”**

This one is pretty much self-explanatory. If you require urgent assistance from either Ambulance, Fire or Police, ring “000”. Try to remain calm and supply as much detail as the operator requests. Remember, the operator is dispatching emergency services whilst you are speaking to them so don't think that all the questions being asked will slow the process. The operators need as much info as they can.

## **Contact your Local Police Station.**

If you do not require an immediate response by Police or you have a minor complaint you can contact your Local Police Station. Just get on the Google, type in the name of the Police station

and Boom, the number appears as if by magic. As they say. Let your fingers do the walking.

## **The Police Assistance Line**

The Police Assistance Line (131444) operates 24hrs a day, 7 days a week.

If you are a victim of a crime, other than life threatening or time critical emergency situations, you should contact the Police Assistance Line (131 444).

Phoning 131 444 allows you to report crime over the phone. Once your report is completed by a customer service representative, your information is immediately available to your local police.

If the crime you wish to report cannot be taken over the phone, due to its serious nature, the operator will assist you by advising where you can go to make the report, or by arranging for police to come and see you.

When a police response is required, Police Assistance Line (131 444) will arrange for police officers to attend.

The Police Assistance Line (131 444) can also assist you with general police inquiries.

By phoning Police Assistance Line (131 444), rather than your local police station, you are freeing up Police Officers who could otherwise be on the street actively preventing and investigating crime in your community.

## **The Community Portal**

The NSW Police Force Community Portal is an online reporting system for our community which is easy to use, confidential and always secure. The Community Portal provides an additional reporting channel and will improve the overall experience and satisfaction of our community members for non-emergency reports.

# Police Report

Where no emergency exists and immediate investigation by a Police officer is not necessary, registered community members can now create online reports such as Lost Property, Intentional Damage or Graffiti and Theft, in their own time anywhere where an internet connection is present, using devices of today's technology.

Community members need to create a MyServiceNSW Account with Service NSW then Link with the NSW Police Force. This is easy to do directly from the home page of the NSW Police Force Community Portal - simply click on the REGISTER button and be guided through the registration and Linking process. Once created, this logon can then be used to conveniently create reports and view report statuses and history, anytime and anywhere an internet connection is available.

## Crime Stoppers:

If you see something that you think is suspicious or you have information about a criminal or criminal enterprise, you can make a report to Crime Stoppers. Other information such as, People wanted by the Police, unsolved crimes and future crime that is being planned, people you know who have committed criminal offences where they have not been arrested or Suspicious or unusual activity is welcome information

Remember you can report your knowledge of criminal activity online (desktop version, mobile version), or by calling Crime Stoppers on 1800 333 000. Remember, if you don't contact us we won't know that you have a problem. There are now plenty of ways to do it.

As always, in case of emergency, call (000)

Non Emergencies contact Police Link on 131  
444 or your local Police

To provide anonymous information call crime  
stoppers on 1800 333 000

Don't forget. Cops are tops.

## **Callala Events Committee**

### **1920's Speakeasy Night:**

This was a huge success, with 68 tickets sold. Together with the \$150 Seniors Grant from Shoalhaven Council we finished with \$120 profit to go towards the Carols, after the \$130 Silent Auction money was donated to The Studio.

We acknowledge and thank Shoalhaven Council for a Seniors Week grant (\$150), Unicorn Cheese Factory (South Nowra) for donating a very generous supply of delicious cheeses, The Berry Treat Factory for huge tubs of Quince Paste and Fig Jam, Yellowtail wines for 1 doz. bottles for tasting, and The Quarters (Huskisson) for the \$100 voucher for the Silent Auction. Also thanks to Ben for his croupier skills and Club Callala for the use of their auditorium, and the many other helpers "behind the scenes".

Go to Callala Events Facebook page <https://www.facebook.com/callalacarols/> to see some great photos of the night. People really added to the atmosphere by getting dressed up in their 1920s best! Feedback has been very positive, with many people asking when the next event will be. We are open to suggestions for similar "themed" nights.

We accepted the resignation of Brooke and Carol Black in February, and wish them well for the future.

We apologise that our website has been down temporarily. It is now live again with a new format. [www.callalaevents.com.au](http://www.callalaevents.com.au)

If you are interested in meeting with us, or joining the committee, we are available at the CBCA monthly meetings on the 2nd Weds of the month, 7pm, in the Community Centre (Emmett St.), but please don't hesitate to contact us via phone or email at any other time.

### **Coming events:**

We are not going ahead with the Easter Bunny Hop, (disco for kids) due to the regular school holiday disco being held at Club Callala a few days before.

The Winter Arts Festival is on the June long weekend, and we will help in some way with that. An 80's Night is under consideration for Sat. 3rd August, at Club Callala.

The kid's Halloween Disco will be on 31st October.

## Garden Club Roundup

The March meeting was also our AGM. We have a new President- Bev Faulkner - as Sue Powell stepped down after 3 years in the seat. Most of the positions have been filled with some new faces and we look forward to working together in 2019. Our AGM always coincides with St Patrick's day so it's only fitting that we wore green and the display table item was the same colour.

Guest speaker was Terry Simpson from South Coast Organic Fertilisers which is a family owned business in Tomerong. Terry has 5 1/2 acres producing organic products mainly from worms. He has 3 types of worms for sale - Rubellus - red worm, Fetida - tiger worm and Excavatus - blue worm, all suitable for standard worm farms.

Some interesting facts about worms- each egg (which resembles osmocote pellets) can produce 6-10 babies. Worms are made up of 80% water, they don't like sun, rain or wind and will eat anything except meat. Terry feeds his worms cow manure sourced from a local dairy. For home worm farms, he recommends that all vegetable scraps be chopped or blended. He said that you should feed worms at the end of the week – not every day. Once a week or fortnightly, he suggests that you fluff the worms gently with a plastic fork before feeding and then adding some lime or dolomite to sweeten the worms. One member asked the difference between earth worms and farm worms- earth worms don't break down the compost quickly. Worms don't like citrus or onions unless the onions are blended with other scraps. The end products of worms are castings which can be used as a soil conditioner and Microbe Concentrate Fertiliser or liquid gold which can be diluted and sprayed or watered on plants. Terry also plants garlic on his property-the Russian or Elephant variety which is larger and sweeter. He plants his garlic at the end of

March and harvests it in late November. He fertilizes the garlic once a month and when it starts to flower, he advises that you snap it off so that the plant puts its energy in the garlic bulb rather than the flower. Terry hopes to return in December with some of this garlic for us to purchase.

We are thankful to Terry for taking the time to visit us again and for donating some worm castings and liquid gold fertilizer for our raffle.

Please note- there will be no Garden Club meeting on Easter Saturday-April 20th. It is the annual Senior Citizen's fete and we are having a plant stall on that day. Hope to see you there.

If you would like to join us and learn more about plants/gardening, we meet every 3rd Saturday of the month at the Banksia Senior Citizens Hall, IRT entrance, Culburra Beach at 1.30 pm starting time. Happy gardening! Doris (secretary) 4446 5631

## **Junior Sailing Club**

The Second round of Callala Primary School sailing group classes, held on Fridays, have been completed. What a delight to see 20 students who began with virtually no knowledge or experience of sailing, progress so well in such a short period of time. What a great bunch of kids! With the wonderful support of teachers and helpers they have progressed to beginner proficiency in just 10 weeks (1 hour for each class). The keen ones will progress to the Saturday Junior Sailing School to become competent competitive sailors and may represent Australia at the Olympics one day. Certainly they have had the chance to learn and enjoy a fabulous sport that they can enjoy all their lives, well into their 90's!

The CJSS Saturday classes are progressing very well with the more experienced children moving up to the more demanding class of boats such as the MJ's, O'pen Bics and Lasers. Some of the parents have teamed up with their very young ones in the Heron and Eclipse boats to get them started before they can sail with other juniors, or by themselves. The parents have provided fabulous support!

The current season of classes finishes before Easter at the start of the school holidays on 6 April with a party!. Thanks to everyone for a fabulous season of classes throughout 2018-2019. The Sailing School will recommence after the October holiday weekend, on Saturday 11 October, See you there!

Continuing our monthly look at the training boats at CJSS, it is time to look at the O'pen Bic Dinghy.

The O'pen Bic is a fantastic boat for young sailors to experience the joys of sailing. It is fast, exciting and fun to sail. Yet it is easy to rig and maintain, with a plastic composite moulded hull. Many of the skills learnt sailing the Open

Bic are easily transferred to other boats as sailors evolve and progress onto other forms of sailing. There is a natural progression to a Laser (of which the CJSC has three) as students get older, heavier and more experienced.

The O'pen Bic is an International class. You can compete in the world titles in this class! With well over 700 boats in Australia and New Zealand the popular Class is proving a favourite for Sailing Schools because they are tough, fast, responsive, and easy to rig and maintain.

# Community Garden

## CALLALA COMMUNITY GARDEN

Another step towards full functionality this month with a visit from Callala Public School teachers, staff and students.

What a joy to watch the students faces and their interaction with the teachers and our team, intergenerational education at its best!

Gail from our garden/ compost team produced a well received interactive presentation, which had the teachers, students (and us!) putting up hands, see photo below.

It was inspirational to listen to the students questions and to understand that their class learning was relative to their visit to the garden. We thank the Callala Public teachers, staff and students for visiting, we are already planning and looking forward to your next visit.

For those of you who visit the garden or drive past you will have noticed the constant change with increasing garden beds and plantings, we've already planted some winter crops – cabbage, spinach, silverbeet, wombok, broccolini, cos lettuce, leeks, plus a variety of herbs and around the perimeter, passionfruit. We'll continue planting in the third bed, when it's filled with

soil and this will probably have more winter vegetables.

If you haven't noticed we welcome you to visit, where possible all upcoming activities are indicated on the white board on the shed at the rear of the garden.

The next monthly meeting is Saturday 6th April 2pm at St Marks cnr Emmett & Hunter Sts Callala Bay, please join us.

Any enquiries to Robyn Hannan - Chairperson CCG 0417 259 392

## Callala Golf

Saturday 23rd February. A perfect morning at Callala for a good field of keen golfers to compete in the Day's Four Ball Better Ball single stableford event. The count back system was very busy today as it sorted four teams that all came home with 44 points. Nervous times as all four teams awaited the final decision of the count back to determine their placing in the winner's circle. Top of the podium was the team of Michael Inness & Terry London. Well Michael and Terry who complemented each other with some great golf. Taking second spot was the team of Garry Moon & Barry Jarman who also played a very solid round of golf to record their spot in the winner's circle. Third was the team of Captain Craig Wassell & Brendan Wade who recorded the same score of 44 as the winners but because of the unfriendly count back were relegated to 3rd. Fourth also with of 44 as the winners was the team of Harry Dowling & Gordie Hargrave.

Graham Lewington, John Dobson, John Latta & Carmel Downton

Saturday 2nd March An overcast day greeted 31 players for today's round, and it quickly turned into rain just after the last group had teed off. The rain only lasted for about 45 minutes, just enough for a soaking, then went away for the rest of the day. Today's game was a Stroke round for the Monthly Medal. First home today was Alan Schatzman with a great round and a nett 63 off a 20 handicap. Second home was Rob Jerman with 66 off a 10 handicap. Third, fourth and fifth players today all carded a nett 66 as well, with the countback deciding the positions. Third place was Alan Ferguson off a 17 handicap, fourth was Tony Pitt-Lancaster off a 19 handicap. & Fifth was Neil Sparks off a 29 handicap. Medal winners were: - A Grade:-Rob Jerman.,B Grade:-Alan Schatzman & C Grade:-Neil Sparks. Well played to our medal winners for this month.

Brendan Wade, Craig Wassell, Barry Jarman, Garry Moon, Michael Inness, Terry London, Harry Dowling & Gordie Hargrave

Neil Sparks, Alan Schatzman, Rob Jerman Alan Ferguson & Tony Pitt-Lancaster

Vet's 26th February Today's Vets golf day was a single stableford game with a good field of 45 players teeing off. The winner being Graham Lewington with 41 points off his 19 handicap. Second in was John Dobson with 40 points off a 22 handicap. Third was John Latta with 39 points of a 25 handicap. Fourth was Carmel Downton with 37 points off a 25 handicap.

Saturday 9th March:- A pleasant day for golf at Callala, not too hot and not too cold with a good field of happy keen players all vying for a place in the winner's circle in the days Single Stableford Competition. Today the top spot on the podium was to go to the happy ever smiling quite achiever and all-round nice guy Steve Martin who played an excellent round of consistent golf to earn his win.

## Callala Golf

Congratulations Steve on your well-earned win. Second home was Harry Dowling who as one of Callala's longest playing members and one who over the years and through good steady golf has developed a good relationship with the winner's circle. Congratulations Harry on a very worthy win. Third spot with a great game was Graham Lewington who is obviously enjoying playing without the burdens of being Captain. Thanks for all the dedicated years of Captaincy and congratulations on your win. Fourth, another quite achiever, Glenn Hughes who is also no stranger to the winner's circle with his good steady and constant game. A big congratulations today to one of our low handicap players, Steve Monsalve who showed the rest of us how this game of golf should be played with a tremendous Tee drive to the green on the 9th followed by an excellently planned and executed putt to hole out for an Eagle and a reward of satisfaction and a box of new balls presented to him at presentation by President Harold Reynolds for his achievement.

Vet's 12th March:- A very pleasant Day at Callala with a good field for the day's competition of Two-Person Better Ball in conjunction with Single Stableford. Golf is one of those games and just like every other day players all teed off with high expectations to end the day on top of the podium as the day's victors. However, as we all know to achieve that goal, we need ability and

unfortunately only a select few on each day are able to put the two together. Well, today being a team event as well as an individual game saw the team of Andrew Rostron and Billy George attain the holy grail of Expectation and Ability to take their place as winners for the day. Second home was a great combination of team play and individual brilliance from both Billy Gatt and Gary Jonas to secure their spot on the podium along with bragging rights. Third spot was the very accomplished team of Terry London and Michael Inness who demonstrated what team golf is about and, coupled with their ability, to achieve a great result. Congratulations to both Michael and Terry on your well-earned win.

*Perry Cousins, Andrew Rostron, Billy George, Gary Jonas,  
Michael Inness & Terry London*

Saturday 16th March. Callala golf today experienced the ups and downs of dramatic weather change in the area. First came the rain then the cancellation phone calls that changed a good field of players into a medium field of keen players. Congratulations to those who braved the elements to stay and play. The players who stayed to play an unusual format golf game of Maximum Score Stroke were rewarded with a great day of golf with sun not rain. A quite unassuming young player, Brendan Wade, was not going to let a little downpour stop him from playing a great golf game. Congratulations Brendan on a great win with a clear 3 stroke result over your nearest competitor. A very deserved win! Following on from his great Eagle game last Saturday Steve Monsalve revisited the winners' circle today with a very well earned 66 points round which placed him in second spot overall for the day's play.

## Callala Golf

Congratulations Steve on a great round which is made even better considering you're supporting a low handicap which we all know leaves little room for error the lower you go. Third home was "The Man" Glenn Hosking who took out last year's "Golf Exchange" challenge on the infamous Callala 11th Hole. Today Glenn used those same golf skills to earn his place in the winners' circle and, like Steve, is supporting a low handicap which of course makes his win all that much better. Congratulations Glenn and nice to be seeing a bit more of you at Saturday Golf. Congratulations to fourth place winner John Marriott who played a good, steady game today ensuring that his last few holes were played very well and in doing so ensured he ended up on top in a count back with Harold Reynolds and John Love who also scored 70 points. Well done John.

Brendan Wade, John Marriott, Craig Wassell, Steve Monsalve & Glenn Hosking

## Callala Mens Bowls

Sunday, February 24, two more games were played in the Major Singles Gary Gordon and Bob Fowler had a fairly close game until the 26th end, 22- 20. Gary scored 9 shots over the next 6 ends, defeating Bob 31 – 20 on the 32nd end. The other game saw Dennis Beazley defeat Patrick Ford, 32 -15 over 25 ends.

The 2019 Pennant season started with round 1 played on Saturday, March 2 and round 2 on Sunday, March 3, both days being fine and sunny. The grade 4 players travelled to Mollymook for their first round with great results. Eddie Semovente, Bob Wood, Dennis Beazley and Grant Ridges were unlucky to go down by one shot to R Wynter, A Hutchins, R Coles and T Hills, 17 – 18. Col Neighbour, Pat Ford, Pauli Kennedy and Greg McMillan defeated G Travis, G Watson, R Brooks and W Drury 28 – 19. Gary Gordon, Steve Foley, Nick Fowler and Richard Khader hung on to win against J Wilton, J Leggett, B Thurect and D Bradshaw, 20 – 16. Callala won the board 65 – 53 and picked up 9 points for the round.

It was a different story on Sunday with a visit from Sussex Inlet. Eddie Semovente, Pat Ford, Dennis Beazley and Grant Ridges defeated S Marcin, R Urquhart, R Codey and E Rouse, 21 – 14. Gary Gordon, Ray Hannett, Pauli Kennedy and Greg McMillan were defeated 16 – 24, by R Mulholland, F Jackson, J Codey and T Codey. Marinus Vanbroekhaven, Steve Foley Nick Fowler and Richard Khader went down to A Marr, G O'Shea, R Watson and R Gasparrini, 10 – 17. Sussex Inlet won the board 55 – 47, winning 9 points to Callala 1. A great effort.

The Grade 7's hosted Sussex Inlet for their next round. Terry Castle, Graham Hulbert, Ron Wilkinson and Chris Harbrow drew their game against A Wilmott, F Green, R Wiegerinck and C O'Keefe, 16 all.

Callala won 1 ½ point for the round.

Another busy weekend for the men's bowls with the semi-final of the Major Singles played on Sunday, March 10, between Greg McMillan and Gary Gordon and round 3 of the Pennants played on Saturday, March 9. In warm, windy conditions on Sunday, Gary Gordon took the lead against Greg McMillan, 17 – 4 on the 12th end. Greg fought back to equal the score on the 27 all on the 34th end. He managed to hang on to win the game 31 – 27 on the 3th end. A fantastic game, congratulations to both players. Callala 4's had a tough match against St Georges Basin with the leader board changing several times. Eddie Semoente, Bob Wood, Dennis Beazley and Grant Ridges defeated R Duncan, A Askew, G Donovan and K Surjan, 20 – 17. Col Neighbour, Pat Ford, Pauli Kennedy and Greg McMillan defeated C Gardner, D McCarthy, J Schembri and B Bourke, 28 – 18. Gary Gordon, Steve Foley, Nick Fowler and Richard Khader were narrowly defeated by G Wale, J Dunn, P Sandford and K Hodgetts, 18 – 20. Callala won

the main board, 66 – 55, earning them 9 points for the round.

The 7's travelled to Huskisson for their round. Howard Duncan, M Gehrke, Glenn Brindle and Bob Fowler defeated A Brodie, N Bishell, E Hussein and H Croft, 17 – 15. Steve Bowerman, Paul Mitchell, Dion Gadd and Phillip Bowerman were defeated by R Hopkins, G Atkinson, B Mahoney and T Mulligan, 11 – 26. Terry Castle, Graham Hulbert, Ron Wilkinson and Chris Harbow defeated J Walker, S Greenland, V Neilsen and P Salvair, 22 – 18. Even though Callala won 2 rinks we went down on the main board, 50 – 59, picking up 2 points for the round.

## Callala Mens Bowls

The 4th round of the Pennants was played on Saturday, March 16. Callala grade 4's travelled to Ex Servo's Sports Club for their game. Eddie Semovente, Bob Wood, Dennis Beazley and Grant Ridges had a close game against R Cartledge, T Abberley, P Smith and H Pearce, only to go down 16 -20. Col Neighbour, Pat Ford, Pauli Kennedy and Greg McMillan were defeated by J Newbold, A Furness and N Edwards 15 - 29. Nick Fowler, Gary Gordon, Steve Foley were unlucky to go down on the last 2 ends to T Smith, R Turner, J Edwards and D Milne, 18 – 21.

Callala grade 7's were at home hosting St Georges Basin. Steve Bowerman, Marty Gehrke, Glenn Brindle and Bob Fowler defeated M Benjamin, G Richards, G Faulkner and D Robinson, 18 – 16. Steve Robertson, Paul Mitchell, Phill Bowerman and John Wright defeated H Williams, G Learmouth, R Doust and D Woodbridge, 23 – 14. Terry Castle, Graham Hulbert, Ron Wilkinson and Chris Harbrow were too good for W Kimber, R Pearce, C Bonanno and F Morris, winning 26 – 9. Callala won the main board 67 – 39, winning 3 rinks and 10 points for the round.

The rain nearly held off on Sunday, March 17, for the final of the Men's Major Singles between Dennis Beazley and Greg McMillan. The last 5 ends were played in the rain. Dennis handled the conditions well leading Greg 17 – 4 on the 13th end. He continued to apply the pressure to win the game 31 – 8 on the 22 end. Congratulations to both players for an entertaining game in such awful conditions.

## Callala Womens Bowls

After the monthly meeting on Tuesday, February 19, the girls had a shortened game of triples because of the heat. Pamela Manning (swinger), Colleen Tracey and Lyn Byrne defeated Pamela Manning (swinger), Judit Fraser and Beverley

Young, 11 – 5. The next competition on our calendar is the Minor Singles due to commence on March 5. Those eligible please put your name on the board.

Tuesday, February 26 the ladies played a close triples game. Audrey Mansfield, Tracey Semovente and Terry McMillan defeated Judit Fraser, Bev Young and Lyn Byrne, 15 – 12.

Tuesday, March 5, in warm conditions, the ladies played a close game of triples. Audrey Mansfield, Tracey Semovente and Terry McMillan led Judit Fraser, Beverley Young and Lyn Byrne 15 – 1 on the 6th end. Lyn's team kept Terry's team scoreless for the next 6 ends to go down by 3 shots, 12 – 15.

On Tuesday, March 12, in warm, humid conditions, the ladies played a game of triples. They also welcomed a new bowler, Lorinda McHugh who had a great time and showed a great deal of promise as a bowler. Lorinda McHugh, Audrey Mansfield and Beverley Young defeated Terry McMillan, Judit Fraser and Lyn Byrne.

We are still looking for new players, so if you are interested, please come along on a Tuesday morning at 9am.....no experience necessary.
