CBCA Update

The March General Meeting was well supported. We welcomed new members Marie and Steve Martin. Thelma Marr was elected to the fill the casual vacancy created by the resignation of Joan Lewis. We acknowledge and thank Joan for her work as editor of the Callala Bay News. Jake Khourey, a local graphics designer with extensive knowledge of Adobe Indesign has agreed to take on the role as editor. All submissions for the Callala Bay News should now be sent to editor@callalabaycommunityassociation.com, by the 20th of each month.

The role of the Events Sub Committee was raised, representatives of the sub-committee have been asked to develop guidelines for presentation and discussion. Sandra McKenzie- Clarke advised the Callala Winter Arts Festival was proceeding but had a set back with the withdrawal of one of promised organisers and are looking for alternate events to fill the gap. They were in the process of seeking sponsorship. The CBCA will again hold an Easter Sausage Sizzle at the Bay Village Shopping Centre to raise funds for community projects.

The 2018 edition of the Callala Community Business Directory has been completed and sent for printing. Although there were some cancellations from 2017 edition, there are many new services advertised. The cover was designed by Sandra McKenzie-Clarke and is a striking representation of the trades and services on offer. Editing was undertaken by Jake Khourey- all in all we are pleased with the result.
There will be an initial print run of 1000 and supplemented by additional printing if required. This year we have been asked to supply copies to Currarong and Culburra. Distribution locally will be through the retail outlets in the village shopping centre.

The were issues raised from the floor which will be taken to Council

- Overhanging Tree Branches creating a safety issue
- Alignment of the proposed line marking in Chisholm Street
- Access issues with the Stairs by the Sailing Club. (CBCA has continually raised the issue with SCC with success but will continue to press for a solution)
- Access issues to the Beach for the disabled.
- Removal of the gravel from the recent street road works.

At the AGM there were no nominations for President or Vice President. It was agreed that James Morris and Howard Duncan continue to guide the Association as per the last two years. It was suggested that they be known as “Directors” but this has been amended to be “Convenors”

A letter for a donation to the Community Garden was received. The Committee has asked for more details before making any decision. The meeting was advised that the construction of the Headland Path through the Midden area was progressing well. The raised School crossing will be completed in the Easter School Holidays.

A suggestion was submitted that to overcome the parking issues in peak times with trailers, that Boorawine Tce could be made a temporary one-way street with parking restricted to one side. This would allow residents to access the street with some better degree of safety. CBCA to pursue this concept with Council. The meeting closed at 8.30pm

Next meeting will be 16th April at the Callala Community Centre at 7.30. Tea and coffee from 7.00 pm.

Callala Medical Report

Autumn is upon us, and we are starting our influenza vaccination clinics again. I have been advised by the Department of Health that the influenza vaccination will roll out from mid April.

The moment we receive the vaccinations, we will start booking the clinics and immunise the community. Just like always, anyone with a chronic illness, pregnant, Aboriginal or Torres Strait Island background, or over 65 years of age are eligible for a free vaccination. Additionally this year, all children between 6 months and 5 years will also be eligible for a free vaccination.

Those who fall outside of the criteria above, but still interested in the influenza vaccination are usually still able to have vaccination with most pharmacies.

If you think you are eligible for a free immunisation, please ring the friendly team at Callala Medical Centre starting from mid April, and we will book you in as soon as possible.

Splatters From The Studio

Guided by our talented textile artist, Jennifer Corkish, the yarn bombing of The Studio and surrounding areas is coming along really well, however, we do need more – lots more! Can you knit? Can you crochet? Can you roll balls of wool? Please come along on Thursdays from 10am to 1pm or 6pm to 8pm and join the gang as we create magic wrappings for the pylons, columns and railings around the shops at 57-59 Emmett Street, Callala Bay. If you would like to donate any spare wool, it would be extremely appreciated. You can also pick up packets of wool from The Studio and knit at home if you wish. Jennifer's exhibition will open on 21st April with many wonderful creations on show. Workshops will still be held during this time. At the close of Jennifer's show, we will put the call out for our Third Exhibition – watch this space.

Work on the Callala Winter Arts Festival is going ahead on 8th, 9th and 10th June. In addition to our art show at the Callala Beach Progress Hall, the photography exhibition at The Studio and the sand sculpture competition at Callala Beach, we will be holding a Fete in the Callala Community Centre (indoor table $20 for one day or $30 for both days). Entry in the art, photography and sand sculpture competitions is free to members of The Studio and entry forms are available online or from The Studio. Please contact The Studio for more information. Drop in and have a chat with us when you are in the village. We are located just down from Vinnies and the hardware store.

Garden Club

Our March AGM meeting coincided with St Patricks day and member Isabel Angus' birthday, so President Sue welcomed members and visitors in green attire. Public Officer Tony Weston presided at the AGM and "the luck of the Irish" was with us as all positions were filled easily. Tony thanked former committee members and congratulated the new committee for 2018.
I need to mention Fran Volell, a special person who did a fabulous job with inviting guest speakers each month. This is probably one of the hardest jobs in a club and Fran managed it very well. Fran has now stepped down and Bev Faulkner, who assisted Fran, will continue this job with President Sue. Another member Liza Riches also volunteered to help.

Two weeks ago, my darling niece Rachel was married at Berrima and I was thrilled with the flowers chosen for her reception. Guests sat at three long tables laden with jugs and bottles overflowing with dark burgundy roses complimented by dahlias. Dahlias are stunning flowers not usually associated with weddings. They are considered an old-fashioned flower, but everyone was happy to take a bunch home after the reception. I have always loved dahlias as my mum and an aunt grew the larger ones – big yellow and red ones. I have a few in my garden now and they have flowered all through summer and will continue to flower in autumn. Dahlias are native to Mexico and can be grown from tubers (like a bulb) or seed.

They grow in full sun and will need to be protected from wind if they are the larger variety by staking them. After they die down, I lift the tubers with a fork because if you leave them in the soil they can rot. I let them dry for about 3 weeks to remove any moisture and store them in my garden shed in a box covered with a layer of potting mix.

The Goulburn Rose festival was held on March 10th -11th and the roses on show were amazing. Their display theme was the mad hatter's tea party from Alice in Wonderland. Two roses stood out for me- Rhapsody in Blue- a dark purple rose and a gold rose Honey Dijon which looked like it was sprayed with gold dust. I can recommend you visit this exhibition next year.

If you would like to join us, we meet every 3rd Saturday of the month at the Banksia Senior Citizens Hall, IRT entrance, Culburra Beach at 1.30 pm starting time. Happy gardening!

Easter what is Easter?
Chocolate Eggs, Rabbits, holidays ?

For some people this is what Easter is all about. People who have no faith hope or belief. And yes, everyone is entitled to have their own opinions and views. Faith is a gift, a free gift, a gift of love, for anyone who wishes to take up the invitation to "Come follow me" (Matthew 4:19).

But for those who do have a faith hope and belief, Easter is the pinnacle of the Christian Calendar. It is that special time of year when our faith in Jesus`s resurrection guarantees and cements everything together.

Without the resurrection Christianity would be futile and a nonsense.

Let me explain, it doesn't seem that long since Christmas and here we are focusing on Easter. At Christmas we heard the readings from Johns Gospel that described the birth of Jesus in two ways. First Jesus was the Word of God made flesh coming to live with us. He also spoke about the Light that enlightens everyone coming into the world, a light that shines in the darkness and that cannot be extinguished or over come (John 1:1-14).

When Jesus was preaching he said, "I am the light of the world. Whoever follows me will never walk in darkness but will have the light of life (John 8:12) On what we now know as, Good Friday some of the Jewish people tried very hard to extinguish that light. At one point it even looked as though they had succeeded as darkness covered the earth as Jesus died on the cross.

But the resurrection of Jesus, which we remember on Easter Day (Easter Sunday) celebrate that God isn't so easily defeated, He is alive and is still the light for all people. Jesus didn't only say I am the light of the world, he also said to his followers you are the light of the world so let your light shine that people may give glory to your heavenly father Matthew 5:14-16. Paul the apostle picked up this idea too when he wrote to the Christians at Ephesus (Ephians5:8-14)

Once you were in darkness but now in the Lord you are light. The Church reminds us of that too at baptism, we are told Shine as a light in the world to the glory of God the Father.

In some churches at Easter people renew their baptismal vows. These promises are about inviting Christ into our lives to drive out the darkness of sin, so that we can show Christ light to the world.

So I would like to offer this prayer for us all as we celebrate Easter.

Lord Christ set us on fire
Burn from us all that dims your light,
kindle an answering flame in lives around,
that darkness may be driven back
and glory stream into this world transforming,
it with your glorious light.
Amen.

Police Report

On The Beat - Drone's.

By now most of us have had an experience with a drone, whether we have seen one flying around the neighborhood or in the local park. We may have seen them on the television gathering footage or surveilling the bad guys in movies or on television.
Owning a Drone is like a dog catching its tail. The question will be asked, "Now I've got it, what do I do with it?"

If you have purchased a Drone and it is under 2 kilograms there are rules and regulations in relation to where, when and how high the drown is flown. Most people purchase a Drone for sport and recreation and in this case, are exempt from certain requirements re licences and certificates. CASR (Civil Aviation Safety Authority) provides that the RPA (Remotely Piloted Aircraft) must NOT be operated:

- Any closer than 30m from people (not associated with the flight)
- Within 5.5km – three nautical miles of a controlled aerodrome
- Over a populous area.
- Within 5.5Km of the movement area of a controlled aerodrome.
- In a prohibited area.
- In a restricted area.
- Over an area where a fire, police or other public safety or emergency operation is being conducted without the approval of a person in charge of the operation.
- Only one RPA flown per pilot at any one time.

Remember, if you do not follow the rules you may be reported to CASR and end up with a fairly substantial fine so do your research on the google net before you make a purchase.

Lost Property.

Picture this. You lose your wallet somewhere and can't recall where it was so you wait a couple of days for it to turn up. After a couple of days, you contact your bank and find out that several unauthorised pay wave transactions have been made by using your lost credit card.
This is now a troublesome situation that is about to become worse. Not only do you have to contact the Bank and cancel the cards, you have to organise to replace all your cards and licences. You chastise yourself for losing the wallet in the first place and again for not contacting the bank sooner to organise a solution.
These days you have the ability to lock you cards until you find them. The message is clear. Know where your Wallet and cards are at all times and if you lose or misplace your wallet at any time take steps to counter the ability for a crook to use your cards to fraudulently obtain property or cash.

Recently as a I celebrated another birthday; a family member gave me a book; now I love to read and I take an interest in the history of our nation. This book was the first, complete as possible biography of Arthur Stace; written by Roy Williams with the assistance of Elizabeth Meyers. It is the story of Mr. Eternity, the man who most days for 35 years chalked the single word Eternity on the streets of Sydney. Arthur must have made an impact as we find during the New Years celebrations at the dawn of the new millennium the word Eternity in the same style lit up the Sydney Harbour bridge.
This one-word message was watched by an estimated audience of over five million Australians not counting the millions across the world who watched the broadcast of Sydney's New year celebrations.

As Easter is upon us I wonder how much thought we give to the concept of eternity, has the death of Jesus on a Roman cross almost two millennia ago still have any significance for us living in our modern technological age?
For Arthur Stace it certainly did. Born into poverty in 1885, Arthur had a colourful life, an alcoholic, petty criminal, and mentally damaged from his service in the army during the first world war. All this changed in 1932, he not only became a Christian, but gave up the drink; a new man.

His one-word sermon became part of his life's work; not his only work mind you. He also assisted in helping in hostels for the homeless during the depression and many other acts of service to people who reminded him of where he had come from. Arthur was also in demand as a public speaker, recounting the story of how Jesus changed his life.
Now what might this story have in common with us today? Eternity isn't "pie in the sky when you die" thinking, it is something that begins right here now, then continues on after our mortal lives have ended.

There isn't much doubt that in Callala we live in a most delightful place, and our lives have been blessed with so much; yet I would think that sometime there would come to us the thought; is there something missing?

Jesus said, "I have come that you might have life, and have it to the full". Arthur Stace found that Eternity was something that brought a new life, a real hope but most of all a new community. We at Callala Community Church desire to be a community that lives out the reality of Jesus' ability to change lives and bring hope to the community in which we exist.

If I as the Pastor can be of help, or if I can, answer any of those difficult questions in matters of faith, please don't hesitate to give me a call.

Have a safe and happy Easter

Callala Universal Pathway

Background

Phase one of The Callala Bay Universal Pathway segment of the Round the Bay Walk started in May 2014, from the top of the stairs behind the Sailing School heading North towards Callala Point. During excavation, the CBCA Team unearthed a traditional stone cutting implement which has been authenticated and given to the Jerrinja LAC for safe keeping.

On completion, the second phase of the path continued from the bottom of the stairs to Watts St; this was completed with additional funding from the Shoalhaven City Council (SCC). The construction of the pathway was made possible by an $84,000 Grant from the NSW Government Community Business Partnership Program (CBPP) and work was undertaken entirely by volunteers from the community and members of the CBCA. The stencils were supplied and applied by Sandra McKenzie - Clarke.

Current state

In 2017 The CBCA obtained a second grant of $55,000.00 from the CBPP to complete the path along the foreshore from Watts St to Sheaffe St. This work was undertaken by the SCC. After extensive negotiation with the Jerrinja LAC, the SCC was able to reach agreement to continue the path from Morton St to Callala Creek. The CBCA expresses its gratitude to the cooperation of the Jerrinja LAC in allowing the path to continue through the culturally significant midden area. When completed, that section of the path will provide approximately 900mtrs of all-weather shared pathway and the combined pathway willallow access from Sheaffe St, Callala Bay, along the foreshore and over the Headland to Bicentennial Park then through Benton Sands to Callala Beach and Myola. Pictured are the SCC Crew responsible for the construction.

Callala Bushcare Group

After a well-deserved summer break, Callala Bushcare Group began 2018 with the formal opening of the new Callala Creek Wetland Walkway.

Timed to coincide with World Wetland Day on February 2nd, the Walkway was officially opened by Shoalhaven Mayor, Amanda Findley. She welcomed the 60 people attending and thanked the volunteers for their help in constructing the boardwalk components of the path.

While the Shoalhaven area is well endowed with rich estuaries and coastlines, Mayor Findley spoke of the importance of wetland conservation in maintaining healthy waterways and biodiversity, including marine species.

Two guides from Shoalhaven Council, Rebecca Rudd and Kerry Thompson, led walkers along the path, indicating the rich variety of floral species, and the changes in vegetation communities.

Rebecca Rudd

Kerry Thompson in the Swamp Oak Forest

Three of the ecosystems encountered along the walk (Coastal Saltmarsh, Swamp Oak Forest, and Swamp Sclerophyll Forest) and a fourth, the Bangalay Sand Forest, along the neighbouring beachfront, are designated endangered in NSW.

Callala Bushcare Group is currently devoting its regular sessions to weeding the many garden escapes at the entrance to the walk on the corner of Sheaffe and Chisholm Sts, Callala Bay. Please feel free to join us on Tuesday mornings between 8 and 10 am.

Enquiries to Bryan Lenne on 4446 4157 or scribblybark@gmail.com

And please continue to enjoy the Wetland Walk (approx. 3kms, 1 hour return)

May 8th we ask for donations of cakes, scones, slices and all things yummy.

Put the date in your diary, tell your friends.

RFS Live Music Night

On Friday 16 March, the Callala Community Hall rocked to the sound of 3 local bands.

First up was Richard Lulo, supported by local musicians Paul Greene and Andrew Hancock, who delighted the large gathering of around 130 people with a medley of his own songs.

Up second were the Callalalas, an impromptu blues band led by Paul Greene and featuring Julian Versitano on guitar, Andrew Hancock on bass guitar, Matt Rostron on alto saxophone and Paul Sayers on percussion.

Such was the quality and originality of their music, it was hard to believe that the group had only spent 20 minutes rehearsing earlier that afternoon.

To close the evening, the Remnants played two sets of timeless rock music, which had the audience on the dance floor from the first chord! The band, comprising of Steve Knott on lead guitar, Julian Versitano on rhythm guitar and vocals, Brian Byrne on percussion, Graeme Warnock on bass guitar and vocals, Matt Rostron on alto saxophone and with Lynn Thoroughgood on backing vocals and Mhairi Rostron on lead vocals, delighted the house and themselves with the quality of their covers of so many timeless classics.

A huge thank you to the Callala community who turned out in such large numbers to support this worthy cause.

A big thank you also to the many local businesses and individuals who donated prizes for the raffle, which alone raised $650.

The total money raised on the night was a staggering $2690, which will be used by the Callala Bay RFS to buy new equipment, as well as to boost their welfare fund, which provides essential support for the members, particularly when they are out on the fire lines.

Perhaps the best thing about the night though was seeing so many in our community getting together and enjoying a great night out in Callala.

Callala Men's Bowls

Leading up to the semi finals, two more games were played in the Major Singles in humid, windy conditions, on Saturday, February 24. Defending champion, Bob Fowler had a hard battle with Anthony Fisher. Neither player was about to give in with the lead changing many times over the 36 ends. Anthony was the eventual winner, 31 – 23. On rink 2, Greg McMillan and Steve Blackley also had a hard game. Steve started well leading for the first 4 ends. Greg, with more experience, pegged him back, winning the next 20 ends just, 31 – 18. The next round was set down for Sunday, February 25, but has been postponed to a later date due to heavy rain. The Pennant season kicks off next weekend.

The men's Pennant competition started with a double header. The first two rounds were played over the weekend of March 3 and 4. The No 5's travelled to Currarong for their first game on Saturday. Callala had a good win defeating Currarong 64 – 50, to pick up 9 points for the round. On Sunday, the 5's hosted St Georges Basin and were narrowly defeated by 4 shots, 53 – 57, but managed to stop the clean sweep by winning 1 rink. The No 7's hosted Huskisson on Saturday. Callala had a convincing win 62 – 51 thus picking up maximum points for the round. Not so lucky on Sunday either, going down to St Georges Basin at home by 1 point, 53 – 54. Callala picked up 1 point for the round.

The third round of the Pennants on Saturday, March 10, with the No 5's playing Huskisson on their home ground. Callala had a great win over Husky 74 – 64. Eddie Semovente, Paul Mitchell, Nick Fowler and Anthony Fisher hung on to win 23 – 20. Steve Irwin, Patrick Ford, Craig Taylor and Greg McMillan were too good for their opposition winning 32 – 19.
Pauli Kennedy, Richard Khader, Col Neighbour and Grant Ridges went down to their Husky opposition, 19 – 25. The Callala boys won 9 points for the round.

L to R Anthony Fisher, Eddie Semovente (marker) and Bob Fowler after their Major Singles round

The Shoalhaven Gutter Cleaning inaugural Man of the Match went to Patrick Ford for an outstanding game.
The Callala No 7 pennant team travelled to Ulladulla for their third round match with disappointing results, going down 41 – 72. Howard Duncan, Steve Robertson, Marty Gehrke and Chris Harbrow were defeated 20 – 11. Terry Renaud, Mark Bowerman, Glenn Brindle and Ron Wilkinson missed out by 4 shots, 24 – 20. Norm Delaney, Steve Blackley, Dennis Lynch and Phill Bowerman were defeated 28 – 10.

Both Callala Men's Pennant teams had wins on Saturday, March 14, playing in warm to hot conditions. The No 5 team travelled to Ulladulla/Milton for their fourth round game. Eddie Semovente, Dennis Beazley, Bob Fowler and Anthony Fisher defeated their opposition 21 – 16. Pauli Kennedy, Col Neighbour, Grant Ridges and Steve Foley won their game 23 – 16. Garry Manning, Pat Ford, Craig Taylor and Greg McMillan were unlucky to go down 24 – 19. Callala won the overall 63 – 56 enabling us to pick up 9 points for the round.

The No 7's hosted Greenwell Point for their fourth round game. Another great result for Callala with a clean sweep for the homeside. Terry Castle, Steve Robertson, Marty Gehrke and Chris Harbrow defeated W Mendes, D Scarman, H Keeley and J Googh, 26 – 13. Jon Lee, Dion Gadd, Glenn Brindle and Ron Wilkinson defeated R Denny, M Ward, J Franklin and S Thompson, 23 – 15.

Callala Women's Bowls

Tuesday, February 20, Jane Davis and Colleen Tracy played their first round game of the Minor Singles. Both girls started well with Jane eventually taking the lead. Being the more experienced player, Jane won the game on the 19th end, 25 – 11. On another rink, Tracey Semovente and Audrey Mansfield played Terry McMillan and Dianne Dawes in the monthly 7UP competition. This was a close game with Tracey and Audrey winning the 7UP component of the game. Terry and Dianne went on to win the overall game, 14 – 11.

The Minor Singles semi-final was played on Tuesday, February 21, in fine, sunny conditions. The game was played over 22 ends between Colleen Tracy and Dianne Dawes. Colleen took the early lead, ahead 8 – 2 on the 5th end. Dianne levelled the score, 8 all on the 8th end. Colleen won the next 6 ends to lead Dianne by 10 shots. Dianne came back again to equal the score, 23 all, on the second last end. Dianne won 3 shots on the last end to win the game 26 – 23. What a nail biter. Congratulations to both girls for an outstanding game of bowls.

The final of the women's Minor Singles Championship was played last Tuesday, March 6, in fine conditions after heavy overnight rain. The final this year was played between Jane Davis and Dianne Dawes. Both girls started well with the score 3 all on the 2nd end. Jane won the next 2 ends with multiple shots while Dianne won the next 3 ends to bring her up to within 1 shot of the lead. Jane went on to win the match on the 17th end, 27 – 9, the score not indicative of a great game. Congratulations to Jane and Dianne and thank you President Terry for marking the match. On another rink, Bev Young and Tracey Semovente had a "friendly" game of pairs against Colleen Tracy and Lyn Byrne, with Bev and Tracey winning by a large margin.

St Patricks Day Dinner/Dance @ Club Callala

A fantastic night of food and entertainment was enjoyed by members and guests at Club Callala last Saturday, St Patrick's Day, 17th March. The night started with a tasting of Guinness Beer followed by a 2 course meal. The entertainment was supplied by a rockabilly trio, the Suede Cats. It was great to see so many people took the trouble to dress in green and attend the evening.
Thank you to everyone who helped to make this occasion such a success.

See the change your home loan can make.

Bendigo Connect Home Loan Package.

When you choose a Bendigo Connect Home Loan package, we'll reward you with a big interest rate discount.

And your home loan will add to the $183 million already given back to help Australian communities thrive.

Drop into your nearest branch at 98 Kinghorne Street, Nowra or phone 4422 7574 to find out more.

Be the change.
